**NARRATIVE:**

Weatherspoon has an extensive adult criminal history that began at the age of 19. He is considered a high risk offender. His convictions include robbery, evading a peace officer and willful disregard for the safety of others, obstruction and resisting an executive officer, failure to appear in court, multiple convictions for transport and sales of narcotics and controlled substances, multiple convictions for felon in possession of a firearm, violation of parole, and vehicle theft. Weatherspoon has served multiple state prison terms the longest a six (6) year term for the sale and transport of narcotics. Weatherspoon was released from state prison to the supervision of the Los Angeles County Probation Department on October 23th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2013 after he absconded from post release community supervision (PRCS). Weatherspoon qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of: felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
